REPORT OF BOARD OF EDUCATION.

The undersigned having attended to their duties as school committee respectfully submit the following annual report :

Our schools have all met our expectations, and have been fairly successful. some terms of course more so than others. We do not wish to speak of any in particular except that at Lord's hill taught by Miss Nina Wadsworth. This school was a success in every way, Miss Wadsworth having the advantage of the other teachers in town in having a Normal school training.
